Frequently Asked Questions

What does Moa do?

When used regularly, Moa helps the body reduce oxidative damage from free radicals and supports healthy digestion, robust cellular defenses and immune function.

What are the key benefits of Moa?

Thanks to a powerful combination of antioxidant-rich, nutrient-dense, low-glycemic ingredients, Moa provides antioxidant protection, supports healthy digestion and offers whole-body support.

What are the key ingredients in Moa?

Ingredients include:

- Bergavit®
- Shiitake mushroom
- Agaricus mushroom
- Lion's Mane mushroom
- BioPerine®
- Proprietary superfruit blend

How are the mushrooms in Moa grown and harvested?

The mushrooms are harvested using a patented fermentation process called Mycofusion™. Mushroom mycelium is grown naturally on deeply pigmented, purple corn "supergrain" kernels which contain very high levels of anthocyanins. This highly controlled and standardized process ensures that key nutrients from the corn are absorbed by the mushrooms through a novel fermentation process, resulting in totally proprietary nutraceutical ingredients with a wide range of health benefits.

What is Bergavit and why is it in Moa?

Bergavit is a standardized extract form of Bergamot citrus, a nutraceutical extract that supports the cardiovascular and immune systems. It is the most concentrated form of Bergamot available in North America and has been shown to support cardiovascular health.

How should I take Moa?

Because Moa comes in a convenient, single-serve Go Pouch, you can simply open and enjoy. Consider adding it to fruit juice or your next smoothie.

How long does Moa remain fresh after opening?

Each Go Pouch contains one single serving. We recommend consuming the contents all at once. If you must save your pouch, please consume within 24 hours for best results.

How do I store Moa Go Pouches?

You can keep them in the refrigerator to chill or in a cool, dry place out of direct sunlight.

How many Moa Go Pouches are in one box?

There are 30, 1.7 fl. oz. Go Pouches per box.

What are the Go Pouches made of?

The pouches are made of a foil laminate and greatly reduce our landfill footprint.

What is the recommended dosage of Moa?

Drink one pouch (1.7 fl. oz.) one to two times daily.

Can I take Moa if I am allergic to one of the ingredients or am taking medication?

Always consult a healthcare physician prior to beginning any new dietary supplement if you have allergies or are taking medication.

Can I take Moa if I am pregnant or breastfeeding or have a medical condition?

Always consult a healthcare physician before beginning any new dietary supplement while pregnant or breastfeeding or if you have a medical condition.
